

Friends of Living Free!

What a Blessed Night we had last night at the Thursday night meeting!!!  
Wonderful food provided by the Mission Of Hope Church and even  
better Spiritual Food provided by Brother James Voyles.

I have become more and more aware that (beyond the Family of Christ represented every week) there are so many families that have made Thursday night a regular part of their week. What a wonderful way to encourage other families who are in need. Seeing families that have been reunited after addiction, and all the tragedies that worldly living has to offer, gives **HOPE** to those that have not **YET** been brought back together. We plan to make it a focus of our week.

One of the families I paid special attention to was my own. After years of shady dealings, abuse, working as hard as I could to please my flesh and letting the devil run my affairs I have it all back! My little girl turns two today and my spiritual two year RE- birthday is in a few months. I think it is much more than a coincidence that the best years of my life have been the two years Lizzie has been alive and I have been alive for Christ!!

In the book of **Joel 2:25** God says "Then I will make up to you for the years that the swarming locust has eaten" **Thank you God for being faithful to heal when we fall short!!!!**

In Christ
