## This Week's Scriptures:

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me." NIV Matthew 25: 35&36

There will always be poor people in the land. Therefore I command you to be openhanded toward your brothers and toward the poor and needy in your land. NIV Deuteronomy 15:11

## This Week's Thoughts:

Have you made a difference in someones life? When we share another's burden, We display God's love and care. Compassion is love in action.

## From Tommy:

2009 has come and gone! With this we have seen God do some amazing things. We have been blessed and been very excited about it all. But, we are more excited about the year 2010! He has put together a team of folks that has a heart to share the Love of Christ (Romans 2:4). A group of folks that want to see the lost come to know about the HOPE in Christ

In 2010, our start time will change on Monday and Thursday nights to 6:00pm. We will start serving the meal at 6:00pm.

Our Saturday morning Men's Bible Study Group will start a study using the book " What God Does When Men Pray" by William Carr Peel. You will find encouragement, inspiration, and practical tips on how a group of men can get together and affect their world through prayer.

I ask that you pray about how you can be a part of a ministry that God is using to change lives. Take this as an open invitation to come out to Living Free anytime and see what GOD is doing.

Going On In The Community:

Just want to thank everyone who came to Living Free on New Year's Eve, we had a great time. Want to thank Bro. James Voyles and his crew for the great music. It was just a great time of fellowship, great food and great music.

Also want to thank Bro James Voyles and everyone at Mission of Hope Church for the invitation to join them in bringing the New Year. Just a great time at Mission of Hope Church.

As everyone may or may not know 2010 is a census year. In March, each household should receive a 10 question Census Form. Please fill this form out and send it back. It's very important to fill this form out and return it. The reason being this is how many government programs get their money and how much they will receive is based on the number of people in the area. The Census also determines how much representation we have in Washington DC. So please take the time to fill out the Census Form and return it.
