This Week's Scripture:

" For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me." NIV Matthew 25:35&36

This Week's Thought:

An economic downturn changes everything for some people. We as Christians should do what we can for people in need. In Galatians 2:10, Paul and Barnabas were reminded to evangelize and to " remember the poor." Paul did just that--preaching the gospel and encouraging financial aid to those in need.

During tough economic times, we too should help people in need--spiritually and physically. A dime doesn't go far these days, but a generous attitude does.

Good exercise for the heart is to bend down and help another person up. Have you made difference in someones life?

From Tommy

We had a great night last Thursday at Living Free. Butch and Linda Parker, we thank you for sharing your story. It was truly a blessing. We served meals to 105 people last week at Living Free and Tommy delivered 17 meals to people at their homes on Friday during the bad weather.

We don't need anymore clothes at this time. If you have clothes you want to donate take them to the clothes closet at First Baptist Church or Christ United Methodist Church. We do need food items, non-food items(such as toilet paper, paper towels, personal hygiene items and cleaning supplies), new coats and work boots for the "Rock Room." I want to say Thank You!!

I love what we get to do and if it wasn't for your donations to Living Free, we couldn't do it.
