

Friends:

**"Life is like ice cream, you either enjoy it or watch it melt away!"**

**The most enjoying & exciting part of Living Free is watching people start to enjoy life! We have seen God do a lot of restoring families and lives! We have been able to see people with no Hope come to know Hope! Drug addicts becoming dads and moms becoming the mom that their kids need! It has been the best 5 months of the ministry.**

**Our 'Rock" room has become a big part of our ministry. We couldn't do this without the help of families, Sunday school classes and church's. We have met many families daily needs though this room. We keep food, bathroom supplies, cleaning supplies and clothes to met these needs.**

**We have seen our building become a ministry where different people is coming looking for the same Hope that we have! It has become a place that the hopeless shows up looking for something different in their lives! Maybe they have heard or just been told that they can receive Gods Love!**

**Our meetings have become a way of life to people, not just a project! We see over 50 show up on Thursday nights for a meal and a message! We have different speakers every Thursday night and God has sent some of the most powerful message's & picture of his Grace! We have had some just get there kids back from DHS on nights that they speak! We have seen dropouts become Pastors! Drug addicts become dads! The most of all, we get to see how God is using some that the world has given up on. On Monday nights, we are getting to see how God is using different people to change the world!**

**We have been very blessed at Living Free! God is using different people in different roles, giving has been great! We had a 2008 car give to us! Also, he bought the tag and paid taxes on it! God is Good! We get to reach a lot of people just because people give to us! Our giving is ahead of last year!**

**Our board has been formed. We have started having regular monthly meetings! We love working in our ministry but sometimes we need to stop and work on the ministry! This is what these meetings has become. God has put a team of 10 together!**

**I would invite you to come and see what God is doing through Living Free! We have been very busy speaking in churches and at Living Free. We have seen one of our own start a ministry in Booneville called "Breaking The Chains". Stevie & Cindy will need a lot of help! Pray that God will send help in Booneville as He has in Corinth! We have committed to helping him over the first year! God is up to something special and we are blessed to be a part of it!**

**Thanks for all that you have done in the past! Thanks for what you will do in the future! We couldn't do what we do if it wasn't for you! I pray that your life is as blessed as mine! I feel like that great Yankee baseball player that said "I'm truly the luckiest guy alive"! I get to help the hopeless because God uses you to help us!**

**Are you enjoying the Ice Cream or watching it melt?**
